VOLUME LXV FIRST IN SERVICE TO READERS ANTIOCH, ILLINOIS, THURSDAY, APRIL 26, 1951 FIRST IN RESULTS TO ADVERTISERS NUMBER 39

Evangelical Lutheran Church Established in Antioch Last Sunday

Council Installed in Service At American Legion Building

The Lutheran Christians of Antioch established April 15 as a historical day in adopting a constitution and organizing as a new congregation at that time. The new congregation will be known as the Faith Evangelical Lutheran Church of Antioch.

An election of officers followed the organization and the church council was installed during the morning worship service last Sunday.

The council comprises Raymond Baethke, Donald Holum, Henry Pape, Sr., Herman Quoss, Elmer Rentner, and Henry Rentner. The congregation at present worships in the American Legion hall on Ida st. It is expected that ultimately the church will be able to erect its own building.

V.F.W. Again to Compete in Southeastern League

The Veterans of Foreign Wars will again play in the Southeastern Baseball league.

The season will open Sunday, May 13, with all games afterward played on Sundays.

Manager Jack Crandall asked that anyone trying out for the team be at the Antioch Township High School baseball field Sunday, April 29 at 2 p. m. when practice will start.

Woman's Club Members Tour Court House and Hear Talk on County

Sheriff Walter Atkinson served as host in conducting 25 members of the Antioch Woman's club through the Lake county court house yesterday.

They visited 14 offices and in nearly all of them the persons in charge stopped and explained the functions of the office.

The group went to the Swedish Glee club for dinner. There Mrs. Bess Dunn, a employee in the court house took the group on an imaginary journey through word description of Lake county.

She showed them a history of Antioch compiled in 1918 as a class project of the seventh and eighth grades under T. Arthur Simpson, superintendent. It had pictures of many of the older buildings. It will be placed in the Antioch library.

Wolfenbarger Plans Little League Teams For Grade School Boys

Formation of a four-team league and possibly eight-team competition in baseball will be attempted by Carl A. Wolfenbarger among boys between 8 and 12 years in the Antioch area.

The little league would be a part of a national organization headed up at Williamsport, Pa.

Known as the "Little League," it would have its own rules and regulations and as a climax to the season there will be a National Championship game.

If the league is organized, games will be played at the village park diamond east of the Soo tracks. Wolfenbarger says he has the leaders and will seek sponsors.

First it will be necessary to find the boys who are interested in playing baseball and those who want to join are asked to notify him or Principal Richard Whitacre at the grade school.

Grant Wins Track Meet

Antioch High lost to Grant High in a dual track meet here yesterday 70 to 44.

Larsen won the shot put, Gutowski, the mile; and Scully the 440 yard dash as Antioch's main point getters. Others who contributed points were Bock, Petty, Meads and Thullin.

Grant won the 100-yard dash, the 220 dash and the hurdles to gain the victory.

Daylight Saving Time Will Go Into Effect On Sunday, April 29

Residents of Antioch and vicinity are advised that daylight saving time will go into effect on Sunday morning, April 29, according to an ordinance passed by the village board on April 15th.

All clocks should be advanced one hour at two a. m. next Sunday morning. The advanced time will be effective until the last Sunday in September. The daylight saving will put Antioch's time in step with Waukegan, Chicago and other cities in Northern Illinois.

The ordinance provides that all clocks shown publicly shall be set in accordance with the new time, and all residents and business places are requested to use the new time.

Mixed Doubles Tourney Start This Week-end at Antioch Recreation Hall

Firing will get underway Saturday and Sunday and continue May 4, 5, and 6 in a public mixed doubles bowling tournament at the Antioch Recreation lanes.

The tourney, three games across six alleys, offers \$800 in prize money, based on 246 entries. However, if the entry exceeds that figure, the prize list will be extended. Entry fee is \$6.50 per couple.

It is a 380 scratch, two-third handicap event, 200-pin limit, and contestants will use highest sanctioned league averages of 21 games or more as of April 1, 1951. Contestants can bowl as often as they wish but can cash only once with the same partner. For tourney reservations, prospective contestants can phone Antioch 349.

Open at 1 P. M.

The Antioch tourney setup calls for squads of two couples every 20 minutes starting at 1 p. m. on Saturday and at 12:30 p. m. Sunday.

Incidentally, squads of two couples or more may also bowl any weekday afternoon by special reservations—April 30, May 1-2-3-4. Based on 246 entries, the winning couple will receive \$200; 2nd prize \$125; 3rd \$100; 4th \$75 and so on down. There will be 15 prizes ranging from \$10 up to the \$200 top award.

Also, the tourney provides for special weekend awards, including high series with handicap, high series for husband and wife combination, and high doubles game out of the money.

Tree Planting Exhibit At Lange Farm Friday

Machine planting of 4,000 new trees will be demonstrated publicly tomorrow at the G. A. Lange farm on Rte. 45, three fourth miles north of Rte. 173 between the hours of 10 a. m. and 3 p. m.

W. F. Bulkley, extension forester from the University of Illinois, will be present to answer questions.

The demonstration was arranged by Farm Adviser Ray T. Nicholas and the machine provided by P. R. Farlow, general agriculture agent of the Illinois Central railroad.

The machine plants trees 10 times as fast as can be done by hand. The trees will be planted to prevent erosion on idle land.

Olsen Furniture Store Has Excellent Opening

"We gave out 400 gardenia corsages and could have given out twice that many more," said A. Harold Olsen, in estimating the crowd that visited his new furniture store at 895 Main st. Saturday.

The store, probably the most beautiful in the village from an aesthetic viewpoint, started off with good business and is destined to be a success.

Olsen is featuring standard brand furniture at cut-rate prices. The store is open from 1 p. m. to 8 p. m. daily except Sunday.

Many Take Advantage Of Mobile Unit Visit

Many persons took advantage of the opportunity to have their chests x-rayed without cost by the TB Mobile unit last Friday.

The unit, financed by the sale of Christmas seals, visits Antioch once each year. Friday morning the unit served employees of the Regal China Co.

Lorraine Bock and Arlyn Schneider, Antioch High school students served as typists.

Eighth Grade Pupils To Take Placement Test in Home School

Placement tests for entering Antioch Township High school will be given in the home room of the eighth grade pupils May 9, Principal R. E. Edmundson announced yesterday.

Principals of the schools affected met this week with Edmundson in arranging to give the tests. The Iowa Every-pupil test of basic skills will be used.

Schools which will send pupils to Antioch Township High school and where the tests will be given are Antioch Grade school; St. Peter's, Lake Villa, Channel Lake, Grass Lake and Millburn.

"I believe we will find it better to give the examination in the environment to which the pupil is familiar rather than bring them to a strange place for the test," said Principal Edmundson.

The testing program accurately measures the student's basic skill in fourteen important aspects of the four major basic skills: reading, work-study, basic language and basic arithmetic.

Results of these tests form a basis for individualizing instruction, and increase the effectiveness of the school's educational program.

The answer sheets are scored centrally by a staff of Iowa Testing Program specialists to insure entirely objective results.

Each pupil will be furnished a self-interpreting profile folder on which he will plot his own scores and those of his class average. This serves as a report to parents, giving them a graphic picture of how their child scored, how he compares with his own class, and with other pupils of the same grade level nationally.

Two Boys, Girl Escape Drowning at Loon Lake When Row Boat Upsets

The Antioch Rescue squad gave first aid treatment Sunday afternoon to a girl and two boys whose boat upset at East Loon Lake.

Frances Martoris, 18, sister-in-law of Edward Cadillac, owner of Cadillac's resort where she resides, was treated for shock by Dr. I. L. Breakstone at the first aid station.

The two boys, known as Eddie and Joe, were from Chicago and Cicero. They and Miss Martoris had gone out fishing when their boat was caught by a big wave and tipped over. Eddie helped the girl to shore, and Joe swam in, too. They were so badly chilled that the Rescue squad was called to take them to a doctor.

Girls' Athletic Assoc. To Entertain Mothers At Banquet Saturday

Members of the Girls' Athletic Association of the Antioch Township High school will entertain their mothers at the fourth annual G. A. A. banquet at 6:30 p. m. Saturday.

Decorations of the high school gymnasium where the banquet will be served will have for its theme daffodil time.

Approximately 60 awards will be presented to the girl athletes by the G. A. A. sponsor. This year, for the first time, the girls will have a good sportsmanship trophy to award to the girls from the senior class.

Patsy Weber will give the address of welcome to the association and her mother, Mrs. Elizabeth Weber will reply for the mothers.

Miss Mary Ann Donovan, instructor in physical education will present athletic awards to the girls. The freshmen will receive class numbers, the sophomores the A letter, the juniors, the State I letter, and the seniors, the state map.

The program of entertainment will include duets by Karen and Donna Martin and also Mary Ann and Nancy Vance; solo by Shirley Man; and a dance by Carmen Edmundson, Lorraine Steinel, Diana Sterling, Margie Purdon. The main speaker for the evening is Maura Conlisk from the state department in the division of girls physical education.

The dinner is being prepared by the cafeteria cooks and served by the "A" club.

Hear Talk on Scouting

Fifty-two members of the Lions club dined on turkey Monday evening at the Guild hall through service of the St. Ignatius Woman's auxiliary. Robert Wright, active for the past 33 years in Boy Scout work, discussed scouting.

Burglars Fail to Get Into Safe at Feyerabend Automobile Sales Room

Amateur burglars failed to get into a safe at the Feyerabend sales rooms the forepart of the week.

They knocked off the combination and then tried to pry open the door, but without success.

There has been much petty thievery in the area. Mechanics tools worth from \$15 to \$20 were taken from the car of Henry Rentner Apr. 16.

Burglars ransacked the Lake Catherine summer home of Gunnar Jacobson, Chicago, but the only thing missing is a marriage license.

Vandals caused \$3,000 damage to the Lake Marie summer cottage of Paul B. Juhnke, Chicago. They used an ax to smash furniture. The time of the damage is not known but it occurred between Feb. 1 and April 17.

Hans Dietrich, Aged 50, Resident of Twin Lakes Dies at Elkhorn Hospital

Hans Dietrich, 50, husband of the former Ethel Runyard of Antioch, died Monday, April 16, at Lakeland hospital, Elkhorn.

The funeral service was conducted at the McCarthy funeral home and the Plymouth Congregational church Wednesday afternoon by the Rev. Henry Schadeberg with burial in the Mount cemetery, Kenosha.

Mr. Dietrich was born in Twin Lakes, April 4, 1901 and spent his entire life in that community. He was a building contractor, and was a member of Wilmot lodge F and A. M.

Surviving are the wife, and an aunt, Anna Dietrich.

Special Program Will Teach Pan-Americanism At Antioch High School

There will be a special assembly program given at the high school during the sixth hour on Wednesday afternoon, May 2, in which the real spirit of Pan-Americanism will be shown.

Many students are helping to show the co-operation of the Pan-American countries with the United States. A display of products will be shown, also students will sing and dance according to the Latin-American customs.

The sports of various types will be discussed and one or two will be demonstrated. Perhaps a native Indian may even appear on the scene.

The program is of such a nature that it will be both educational and entertaining. It is under the direction of Mrs. Jeanette Tulumello of the Social Studies department and Hans Von Holwede of the music department.

The public is invited.

To Attend Convention

Joe Horton, local branch manager of the Sinclair Refining Co., will attend Sinclair's mid-west sales convention at the Hotel Sherman, Chicago, tomorrow and Saturday. Branch managers from Indiana, Illinois, Michigan, Ohio, and Wisconsin, will be greeted by high officials of the company. Percy Craig Spencer, New York, president, will be the honored guest.

Two Borderline Cases

High School Tracksters To Participate in Relays At Palatine Saturday

Antioch High school track and field athletes will go to Palatine Saturday to take part in the annual relays.

They got a taste of competition last Thursday when four schools competed there in relay fashion. The result was Palatine 80, Wauconda 70, Antioch and Grant tied at 45.

Scully, Bock, Larsen and Gutowski were the point winners for Antioch.

"We didn't take our baseball players along as did the other schools and our number of entries was limited," said Coach Maurice Krizan.

The dual meet with Wilmot scheduled for Monday was postponed to May 15 because of rain. Today a meet is scheduled with Warren.

Principal R. E. Edmundson will be in charge of the track team Saturday while Coach Krizan and Coaches Warren Polley and Richard Scott attend a clinic for football coaches conducted by the Illinois High School association. The clinic will be in session Friday and Saturday.

Antioch News Wins in Women's Handicap League

After finishing runner-up for three years, the Antioch News women's bowling team crashed through this year with top honors in the Women's Handicap league.

They closed the season Tuesday by winning three games from Kempfs and establishing the high team series, 882-817 and 783 for a total of 2,482. Dorothy Ferris of the same team bowled a high for individuals with games of 188, 193 and 158 for a total of 539.

H. Hawkins of Linders bowled the high game of 206.

The results were Salem Recreation 0, Linders 3; H. King 456, and H. Hawkins 536.

Country Club 1, Art's Paint 2; F. Herron 474, B. Roberts 393. Seyfarths 1, Bud's 2, D. Bauer 521 T. Keulman and L. Keulman both 507.

Kings 0, Slide Inn 3, J. DeBoer 483 L. Fernandez 491.

Kempfs 0, Antioch News 3, A. Pedersen 436, D. Ferris 539. Regal China 2, Pagels 1, A. Waters 443, Isabel Cook 481.

A. T. H. S. Fools Frolic Has Boake Baird, King, And Donna Martin Queen

Boake Baird was crowned king and Donna Martin queen at the all-school carnival, "Fool's Frolic" at the Antioch Township High school gymnasium last Friday.

There was a good attendance and all had a good time.

Ted Gajewski won the pie eating contest.

The sophomore variety show offered a quartet composed of Carol Loftus, Emily Rule, Joan Cervenka and Lorraine Steinel. Nancy Vance sang a solo, and Jean Hughes and Mary Ann Nielsen played an accordion duet. Bill Deering played two piano solos and Charles Bock sang. A fashion show in which boys modeled clothing got a lot of laughs. Those taking part were Bob Ensign, Tom Elwood, Gordon Heuer, Leo Bogaerts, Kenneth Pedersen and John Eder. Margie Haling served as master of ceremonies.

The concessions all did good business.

Grade School to Stage Annual Music Festival At Gym Tomorrow Night

The Antioch Grade school pupils will stage their annual music festival at 8 p. m. Friday in the school auditorium. It will be the first time the school has held the event in its own building, the high school auditorium having been used before.

Each grade has prepared numbers on a particular theme as follows:

First Grade: The Village Green—"Crowning of the May Queen" and "May Pole Dance".

Kindergarten: Afternoon Class, "Balloons Song," Morning Class, "High Stepping Horses," "Trotting Horses," and "Galloping Horses."

Second Grade: Creative Rhythms, American Squares, "To the Corner with Your Right," "Skip to My Lou," "Turkey in the Straw."

Third Grade: Al Jolson Show, "April Showers," "Swanee," "Carolina in the Morning," "My Mammy".

Fifth Grade: Songs of Hope and Cheer, "Look for the Silver Lining," "The Lord is My Shepherd," "Let the Rest of the World Go By," "God Bless America".

Music Festival Monday At Barrington Attracted Many From This Village

Sixty Antioch Township High school musicians took part in the Northwest conference music festival Monday at Barrington High school.

A number of relatives of the performers formed a part of the crowd that completely filled the Barrington gymnasium in hearing the program.

The eight schools after rehearsing under the direction of their own teachers combined into one big orchestra-band directed by Bruce Houseknecht, Joliet, and one big choir directed by Sten Halfvarson, West Aurora.

The orchestra numbers included the finale from Beethoven's Fifth Symphony, "Perpetual Motion," by Bohn-Isaac; and "March Slav," Tchaikowsky-Herfurth.

The band played "Emblem of Unity," "Poet and Peasant," "Pavanne," "Copa Cabana," and "Storm King."

The A Cappella choir sang "The Halls of Ivy," "Working on the Railroad," "Cherubim Song," and "All Glory, Laud and Honor."

The girls' chorus sang "Lift Up Thine Eyes," and "Go Ask of the High Stars Gleaning," while the boys chorus sang "Joshua Fit De Battle of Jericho."

Antioch Episcopalians To Hear Bishop Horseley At Chicago Next Tuesday

The "Iron Curtain Bishop," The Rt. Rev. Cecil Douglas Horseley, Anglican Bishop of Gibraltar, will address Episcopalians of the Chicago Diocese, Tuesday (May 1) at an 8:15 service of witness at the Church of the Atonement, Chicago, it was announced today by the Rev. R. E. Ehrhott, rector of St. Ignatius' Episcopal Church here.

Special transportation for St. Ignatius' churchmen to the North Kenmore Ave. Church will be provided, Fr. Ehrhott said.

Bishop Horseley, until his recent expulsion from the Communist Balkans, was the only Anglican Bishop permitted free entry behind the curtain where he administered to Anglicans.

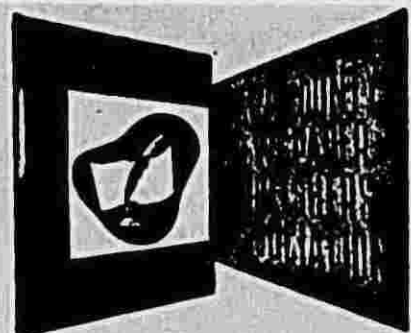

From his years of service to churchmen in Communist Yugoslavia and Bulgaria, he became known as the "Iron Curtain Bishop." The Bishop, a native of England was consecrated in 1938.

Golf Season to Start

A Nation of Partners

The Exchange, a magazine published by the New York Stock Exchange, recently carried an article by the head of one of our largest industries* in which he said that all enterprise should belong directly to the people.

Make no mistake—this is not a plea for socialism, but for just the opposite. The executive wrote, "I hope that the day will come when every American family will purchase a share of American industry, however small or large that share may be."

"That, to me, is true public ownership, and I favor it just as ardently as I oppose Government ownership. Let no one tell you that the two are the same. They are as far apart as the poles."

Fortunately in the United States, stock exchanges provide a ready market place where anyone can buy an interest in the companies which represent the economic strength of this country, which employ much of the population, and which sustain our living

standards. A man who buys stock—whether it be one share or thousands—becomes a partner in enterprise. His own personal welfare is directly related to the welfare of enterprise. When that happens, he isn't likely to fall for the suave arguments of the socialists. And he becomes alert to the danger of governmental policies, in taxation, regulation, and other fields, which would undermine our economy and our system of government.

It is a fortunate thing for America that our industrial resources are controlled more extensively by the public than they are anywhere else. One of the most significant trends of the time is the ever-broadening ownership of corporate enterprise by individuals. Yes, that is true public ownership.

The Low Down From Hickory Grove

It is not too easy to sit idly by and see the rug being pulled out from under our feet. In mind today is how our old and cherished right to work for who, how much, and where, is vanishing—unless. Unless, within 30 or some such days, you join up with an outfit that you don't choose to join up with, but must, if you stay on the payroll. Freedom—the word sounds puny in practice—on the Fourth of July it sounds great.

Big Govt. is the fly in the ointment—Big Govt. is a costly affair—Big Govt. from Nero's time, and even longer, has never been good for the majority—it has been nice and skookum for the ones in the driver's seat.

Govt. people today blanket the sky, like locusts—as they roam the land and talk up new ways to let the Govt. take the lead.

And putting 2 and 2 together, nothing but scrawny and depressing Socialism can possibly result as the Govt. slips a foot into a door here and a door there. It crept up in Europe just as easy as that—the other fellow's door at first—then whamo, it was every place.

Yours with the low down,
JO SERRA

SOCIETY EVENTS

Ries-Muleski Nuptials At Wilmet Church Apr. 14

In a double ring ceremony Apr. 14, in the Peace Evangelical Lutheran church, Wilmet, Wis., Miss Marilyn Joann Ries became the bride of Marvin Charles Muleski.

Marilyn is the daughter of Mr. and Mrs. S. H. Ries, 267 Park Ave., Antioch and Marvin is the son of Mrs. Lloyd Holtdorf, Cross Lake, Antioch.

The Rev. R. P. Otto officiated at the 7 p. m. wedding and the bride was given in marriage by her father.

For her wedding Marilyn wore a white satin dress with illusion neckline trimmed in Chantilly lace and a panel of lace down the back of the long train. She also wore a string of pearls her mother wore at her wedding 24 years ago, a gift from her father. A fingertip veil was held in place by a beaded crown studded with rhinestones. She carried a white Bible topped with lily of the valley and a white orchid. The bride also wore a garland of myrtle an omen of good luck.

The maid of honor was Charlain Thornton. Bridesmaids were Mrs. Marilyn Graber, Sina Kirby and Nancy Cunningham. Charlain wore an orchid frosted organza dress with a Peter Pan collar and a full skirt. She carried a colonial bouquet of yellow roses. The bridesmaids wore gowns identical to the maid of honor's, only in green and carried colonial bouquets of red roses.

Serving Marvin as best man was Donald Krahn. Ushers were Robert Klemm, Peter Poulos and Dennis Paasch. Little Cheryl Horton in white organza over green, and carrying mixed roses, was the flower girl. Jimmy Holtdorf, brother of the bridegroom, carried the rings. Special wedding music was offered by Mrs. M. Schurr, organist and Mrs. Raymond Forester, vocalist.

The newlyweds greeted guests at a reception held in the American Legion hall, Antioch with Mrs. Frank Dibble and Mrs. Norman Seitz pouring. After their honeymoon in the southern states, the new Mr. and Mrs. Muleski will be at home at 256 Park Ave.

Both Marvin and Marilyn graduated from Antioch Township High school. Mrs. Muleski is employed at Johns-Manville and Mr. Muleski is employed at the Antioch A and P store.

New 4-H Club Formed By Channel Lake Girls

Miss June Kutil assisted the Channel Lake girls in organizing a girls 4-H club on Wednesday, April 18. Twenty-three girls were present. The following officers were elected:

Louise Portalski, president; Donna Jerde, vice president; Pat Venable, secretary-treasurer; Mary Atwood, club reporter; Verna Smith, recreational chairman; Gwen Reyer, music leader; Marilyn Dowell, program chairman.

There will be meetings every Wednesday at the Channel Lake school.

ST. IGNATIUS' CHURCH TO HOLD PAINTING BEE

This Sunday, April 29, the parishoners and friends of the Church of St. Ignatius of Antioch will give of their time and muscle to paint the interior of the nave of the church and the interior of the parish hall. Work begins at 1:00 p. m., with the Women's Auxiliary providing refreshments. The work is under the direction of Mr. William Brook. Men are asked to bring paint rollers, brushes, drop cloths, step and extension ladders, and to give all or part of the afternoon for this event.

The parish is preparing for the annual visitation of the Bishop of Chicago on Corpus Christi Day, May 25th, at which time a class of ten children and four adults will be confirmed, and the Rev. Roberts Ehrhott instituted as priest and rector of the new parish.

WOMEN OF MOOSE HOLD INITIATION

The women of the Moose chapter No. 735, held their regular meeting Thursday, April 19. They initiated two new candidates, Marie Novak and Florence Markwart. At the conclusion of the meeting they were entertained by Mrs. Florence Dexter who played some selections on her guitar, and by Miss Meiners of the high school who spoke on Home Making. A delightful lunch was served.

The next regular meeting will be held Thursday, May 3rd. The refreshment committee will be Blanche Horton, Julie Bolton and Vida Shunnesson.

GRASS LAKE P. T. A. ELECTS OFFICERS

The Grass Lake P. T. A. met on Friday, April 20, at the Grass Lake school. The officers elected for the coming year were Roy Frasier, president; Paul Stearns, vice-president; Mrs. Helen Burke, secretary; Mrs. Ethel Meyers, treasurer. May 31 was set as the date for the school picnic.

At the conclusion of the meeting refreshments were served by the second grade mothers.

Gavin P. T. A. to Install Officers, Hear Talk on Art at Meeting May 1

The Gavin School P. T. A. will meet at 8 p. m. Tuesday, May 1, in the school auditorium. This will be the final meeting of the year.

Business at hand will include the installation of officers for the next school year. They are as follows:

President Mrs. Lillian K. Rushmore; first vice president Mrs. Clifford Hanke; second vice president Mr. Oran Kennel; secretary Mrs. James Nowak; treasurer Mrs. Anders H. Nordling; corresponding secretary Mrs. Charles Dussman.

There will be reports from the various departmental chairmen.

After business, a very interesting program has been planned, still following through on our theme "Our Challenge-Better Schools" at this time "Through Appreciation of the Fine Arts". Paul Harris, art supervisor of the Waukegan elementary schools will be the speaker. Slides from the Lake County Art league will be shown. Also there will be an art display by local artists and by the various classes in Gavin School.

Refreshments will be served by the first grade mothers assisting Mrs. Louis Ross, room mother. Officers urge members and their friends to attend.

Antioch M. Y. F. Girls
To Get League Trophies

Members of the Antioch Methodist Youth Fellowship, particularly those engaging in sports during the past year, will attend a banquet at the Methodist church in Winthrop Harbor Tuesday evening, May 1, to which members of the church athletic league have been invited.

Antioch girl teams in volleyball and basketball will receive trophies at that time as league winners in those sports.

New officers for the Post are: Louis Adams, commander; Ed. Palenski, senior vice-commander; Miles Van Alstine, junior vice-commander; Tony Sciacero, chaplain; Warren Edwards, quartermaster; Leonard Armstrong, adjutant; Ted Larson, judge advocate; service officer, Dr. L. J. Zimmerman.

At the closing of the ceremonies a very delightful buffet supper was served.

Highlights of the year's activities by the auxiliary were discussed. The auxiliary was complimented on its fine work at Downey and Hines hospital, also for contributing to air conditioning unit for Dwight hospital, for its generous contributions to community service and the presenting of six flags to various organizations.

METHODIST YOUTH
CONTINUE SPECIAL
SERIES OF MEETINGS

The Young People's Methodist Youth Fellowship will continue its series of meetings, "Facts for Living" this Sunday afternoon and evening.

The series, dealing with the physical, psychological and religious aspects of sex, has been carefully planned to cover a five-week period.

Dr. Irving Breakstone, local physician, is leading the meetings dealing with the physical aspect. A psychologist and a minister also will participate in the series.

A special meeting for parents has been arranged for Sunday afternoon May 6, at 3 o'clock, at which time parents and interested adults may become acquainted with the material which is being presented.

During the series of meetings the girls will meet each Sunday at 4 o'clock and the boys at 7 o'clock. Mrs. Richard Scott is in charge of arrangements for the worship service for the girls and Richard Scott for the boys.

CHRISTIAN SCIENCE CHURCHES

That the reign of Spirit, heaven, harmony, can be experienced only in proportion as hatred, fear, all evil beliefs, are cast out, will be explained in all Churches of Christ, Scientist, next Sunday. The topic of the Lesson-Sermon on Sunday, April 29, is "PROBATION AFTER DEATH."

The Golden Text is from Proverbs (21:16,21): "The man that wandereth out of the way of understanding shall remain in the congregation of the dead. . . . He that followeth after righteousness and mercy findeth life, righteousness, and honour."

Bible selections (King James Version) in the Lesson-Sermon include these passages:

"I am the Lord thy God from the land of Egypt, and thou shalt know no god but me: for there is no saviour beside me. . . . I will ransom them from the power of the grave; I will redeem them from death: O death, I will be thy plagues; O grave, I will be thy destruction." (Hos. 13:4,14).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"If the change called death destroyed the belief in sin, sickness, and death, happiness would be won at the moment of dissolution, and be forever permanent; but this is not so. Perfection is gained only by perfection. . . . We cannot spend our days here in ignorance of the Science of Life, and expect to find beyond the grave a reward for this ignorance" (pp. 290, 409).

GIs' Korean Paper Never Misses Issue Despite Hardships

KOREA—Despite the hardships of war, rain, cold and enemy bullets, the men of the 24th regiment in Korea get their daily newspaper.

Col. John T. Corley, Brooklyn, one of the army's most decorated officers, started the paper for his troops when he took over command of the 24th. He called it The Eagle Forward and it has never missed an issue.

The little two-page mimeographed newspaper has become one of the most popular publications in Korea. The first page is devoted to world news of importance, including the latest war developments in Korea. The second page tells the activities of units within the regiment and the achievements of individual soldiers.

One of the most popular features, called "The Old Soldiers Aid," was Corley's idea.

It consists of a daily bit of advice on how troops can protect themselves from the weather or the enemy. Lately the "Old Soldier" has been giving sage tips on how to take proper care of the feet.

The paper comes out every day except Sunday, and the two soldiers—Sgt. Milton B. Fulcher and Pfc. Cornelius Boykin—who make up the staff, have never missed an edition.

They collect and write news and then crank it out on a mimeograph machine. The paper has a press run of 600 copies. When the division was on the front the paper was taken up on chow trucks. The men read it and passed copies from foxhole to foxhole.

The paper has been put out by candlelight, Korean gaslight, and flashlight.

Glowing Automobiles Urged To Reduce Night Accidents

WASHINGTON — Highway collisions might be reduced by making vehicles "glow" in the dark, an Iowa psychologist believes.

Dr. Donald Hoppe suggested in a report on experiments conducted at Iowa State College that "reflective sheeting" applied to the rear of all vehicles would make them visible from greater distances. This sheeting, consisting of hundreds of tiny glass beads adhering to a plastic backing, is designed to reflect the glow of oncoming headlights. It is now used to some extent by trucks.

Old White House Mementos Selling for 25c to \$100

WASHINGTON, D. C. — Bits of wood, bricks, nails and other souvenirs have been salvaged from repair operations on the White House and have been offered to the public at prices ranging from 25 cents to \$100.

Applications are being handled by members of congress or directly by the "Commission on Renovation of the Executive Mansion, Fort Myer, Va."

Persons applying for the mementos must certify that they will not resell them. They must also pay postage or freight. There will be no profit for the government since all money received will go for administration, packing and other costs.

The commission said that such items as pieces of old lath, stone and metal would sell for 25 cents, paid in advance. A brick, of which there are about 200,000 can be purchased for \$1.

The top limit of \$100 a purchase will buy enough bricks—for perhaps 60 cents a brick—to face an ordinary fireplace. Each item will be accompanied by a metal tag showing that it is genuine material removed from the White House.

Some items are offered in a small "kit" from which the buyer can if he chooses make assemblies. For example, two pieces of old pine could be made into a gavel. An old square nail and a piece of stone could be mounted on wood or encased in plastic to make a paper weight. Several pieces of wood could be made into a cane.

Muskegon Bank Sells Dollar Bills for 98 Cents Apiece

MUSKEGON, Mich. — The Muskegon Savings bank came up with a novel advertising scheme. The bank advertised that it would sell crisp dollar bills for 98 cents.

Before the offer was withdrawn it had cost the bank \$400 as some \$20,000 worth of dollar bills were exchanged for 98 cents. And a bank official said it was worth the trouble.

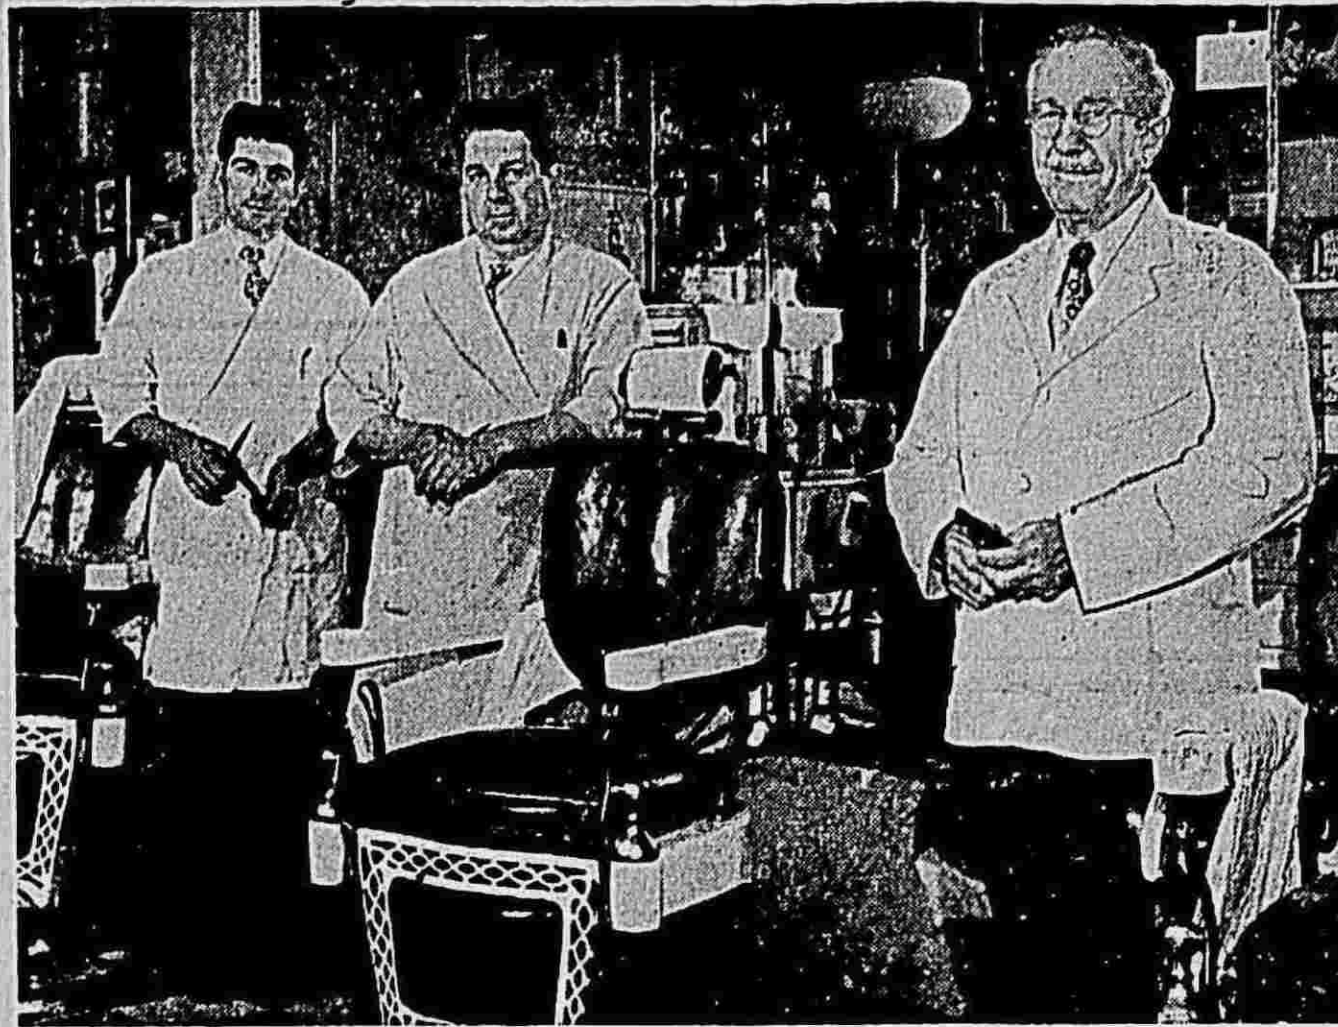

"Americans have a sense of humor," one bank officer said. "I feel sure this new type of bank advertising was enjoyed by everyone in the community."

Joe Stalin and Churchill Turn Out to be \$28 Busts

CHESTER, England — Joe Stalin and Winston Churchill were put on sale for \$28 apiece in Chester recently. A furniture warehouseman set the prices of Madame Rinaldo's waxworks, which had lain unclaimed in his warehouse for 12 years.

Napoleon and Franklin Roosevelt were priced \$141 each.

Keep Fear of Atom Bomb from Children Legion Auxiliary Says

"Fear of the atomic bomb must not be implanted in the minds of children," Mrs. Louise Erickson, child welfare chairman of Antioch unit of the American Legion auxiliary, said today in a warning to parents.

She cautioned against the possibility of children growing up afraid and emotionally disturbed due to improper presentation of atomic dangers to their young minds, saying:

"We must teach our children to live with the hazards of the atomic age just as we have taught them to live with the automobile, machinery and the other hazards of modern life."

"What shall we tell our children about missiles that fall from the sky, flinging out radioactive substance that can burn or cripple? If we are to pass on courage to our children, we must first drain fear out of our own hearts; we cannot train children to feel secure in an insecure world unless we ourselves know security."

"We can tell the children that the United States is building a fine Air Force, Army and Navy to protect them; that when they grow up they will receive military training to strengthen their bodies and enable them to give a better account of themselves if war comes, and to better protect their own lives."

"Children are not afraid unless adults make them so. They have not been made afraid by fire drills in the schools, or policemen on the street corners."

"Young America will respond similarly to the new demands of the Atomic Age, if they know the reason for the things they do. They can be trained to look after their brothers and sisters, as well as themselves, if they hear parents, guardians or teachers speaking calmly of atomic bombs. They can learn to get under desks or into basements without becoming neurotic. The Atomic Age can result in super-children, if only adults have enough self-control and self-knowledge to master their own fears of atomic weapons."

Library Notes

Just in time to help with the spring wardrobe and redecorating problems, "The Singer Sewing Book," by Mary Brooks Picken will be of great help in these days of high prices. It is a book to inspire the novice to attempt the needle and will also provide many ideas and instructions for the experienced seamstress. "The Singer Sewing Book" was given to the Antioch Township Library in memory of Mrs. Maud Sabin.

Marcel Junod began his service with the International Committee of the Red Cross during the Italian invasion of Ethiopia and continued his work through the Spanish Civil War and World War II. As a neutral concerned only with the rescue of human beings regardless of their political connections, he witnessed many stirring and terrible events. His book, "Warrior Without Weapons" is on the library shelves in memory of Mrs. A. P. Bratrude.

Fly fishing is a sport whose pleasures are not limited to the great out-of-doors. Many a happy evening is whiled away tying flies and arguing about the merits of an old favorite. J. Edson Leonard's new book "Flies" is a dictionary of 2200 patterns of dry and wet flies illustrated by drawings and color plates. His calendar of insect emergence, tables of preferred fish diet and discussion of individual fly tiers are added inducements for the would be fly tier to study this book. "Flies" was presented to the library in memory of Ernest L. Simons.

Libertyville Gun Club Plans First Rifle Match There Sunday, May 20

The first outdoor rifle match of 1951 to be conducted by the Libertyville Gun Club at its range on Guerrier road in Lake County has been set for Sunday, May 20.

This tournament will be a registered N. R. A. match, with four fired matches and three aggregates, in addition to two team matches. Awards will be provided in each match for first, second, and third places and also for high scores in Expert, Sharpshooter and Marksman classification.

So that each competitor may fire under the same wind and light conditions, only one relay will be fired in each match. There are seventy-five firing points available, and entries will close when seventy-five competitors are registered.

The club range may be reached from either Buckley Road or from Route 120 by following the directional signs posted at all major intersections.

Modern club rooms, food service and all necessary facilities are available for the comfort of competitors. Inquiries and advance entries may be addressed to Mrs. Betty Mason, 225 West Park Ave., Libertyville, Ill.

Wilmot Wins Again 10-7; Sequoits Open League Play With Ela Tuesday

Wilmot High School's baseball team proved its victory there last week wasn't a fluke by winning from Antioch High here Monday 10 to 7.

The visitors made nine hits to the Sequoits' seven and made fewer errors.

The battery for Antioch was Pregenzer, Lubbekman and Rentner; for Wilmot, Milner, Benedict and Brehm.

George Einfeldt, Jack Pregenzer, and Chuck Haling got two hits each for the home team.

The Sequoits will open the conference season Tuesday at Lake Zurich, playing Ela-Vernon. The Freshmen will play the Grayslake Freshmen Saturday.

The new officers are: Mrs. Lloyd Murrie, president; Mrs. Homer White, vice president and program chairman; Mrs. Ernest Ott, secretary; Mrs. Irving Breakstone, treasurer; and Mrs. Maurice Kruzan, historian.

P. T. A. Party A Success

The Parent-Teacher association card and dance party at the new addition of the grade school Saturday night was quite successful. It was almost family night for the children outnumbered the parents two to one. The youngsters played bunco in the cafeteria and the parents played the more difficult games in the classrooms.

Afterward there were cake-walks and dancing. The music was from recordings and the amplifier system was used for the first time with much success.

McMillen Likes Refereeing

"It seemed rather odd not getting in and mixing it up," commented Mayor James McMillen who refereed his first wrestling match at Waukegan recently. McMillen has been wrestling ever since he got out of college and has quite a reputation. It was just recently that he turned to the job of refereeing. "Guess I did all right, I don't know," he said.

Plastic Topping Material Satisfy Is Easily Applied and Durable

A tough, pre-coated plastic topping material that can be applied at the job without mechanical pressure is now available for use in new installations or for refurbishing.

It is practical to top dinette, coffee and vanity tables, kitchen cabinets, sinks and pantry ledges as well as restaurant tables, soda fountain counters, bars and other horizontal surfaces.

The durable topping material, known as Satusply, is made by United States Rubber Company and comes pre-coated on the back with a special cement known as Satusize. The plastic topping can be easily applied to wood, metal, transite and masonite surfaces.

Satusply is available in 13 decorative colors and in five attractive patterns. It can be bought in a variety of standard size sheets as well as in rolls. It is washable and highly resistant to scratching, fruit acids, alkalis, alcohol, household cleaners, boiling water and burning cigarettes.

Application on the job is simple. The top to be covered is coated with liquid Satusize cement and dried for seven minutes. The pre-coated Satusply is also coated with the same cement and dried for three minutes. Satusply is then securely bonded to the horizontal surface by rolling with a wooden block or rolling pin covered with heavy fabric or rug piece.

Early Record-Keeping
Before primitive men learned to write, they used knotted cords for keeping records. This device, called "quipus" or "quipos" from the famous Inca practice, was the forerunner of the still-followed habit of tying string around a finger as a memory jog.

To Cut Marshmallows
To prevent sticky knives or scissors when cutting marshmallows or fruit, rub the blades with butter, or dip them in hot water at frequent intervals.

Gave Social Rating
Paint was such an expense and precious commodity after the Revolutionary war that it was considered a mark of social distinction in New England to have a painted house.

Grapefruit Garish
Mint jelly adds a freshening flavor to grapefruit. After the grapefruit has been prepared in the usual way, insert a cube of mint jelly in the center and serve.

Refrigerator Running
A refrigerator should run only one-third of the time. If it runs more, the temperature may be set too low, the freezing unit may need defrosting, or a gasket on the door may need replacing.

Automatic Gas Ranges
Griddles on some automatic gas ranges are equipped with heat indicators—important to those cooks who use varied temperatures for top burner griddle cookery.

It makes your dollars talk great good sense!

When you look at the times we live in... and then take a look at
this new Chrysler Windsor... you might almost think we'd had
advance information and special-built this car just to fit these times!

Certainly it treats your hard-earned and tight-stretched dollars
with a respect that's hard to find in a good many things you buy!

To begin with, the Windsor line is the *least-priced* of the three
lines of cars we build at Chrysler. To buy one gets you all the
basic goodness Chrysler engineering means, at the very *lowest*
cost. That's good sense in itself.

In powerplant, your Windsor brings you Chrysler Spitfire...
one of the truly great engines in the whole bright history of
America's motor cars. Time-proved and owner-beloved, it would
be hard to put your money on a sounder friend than this to live and
travel with you through the months ahead!

As to comfort, Windsor brings you the amazing travel bonus
all Chrysler owners get this year... the revolutionary new Oriflow
shock absorber. With more than twice the shock-absorbing power
of any other in the world, this amazing new device keeps wheels
steady on the road, and riders steady in their seats.

As you can see, it is no idle claim that this car makes very
special sense in these unusual times. But why not get the whole
good story at first hand? Why not go see your Chrysler Dealer,
very soon?

Beautiful to look at...
Beautiful to drive!

Owner after owner...Year after year—says
"IT'S DODGE FOR
DEPENDABILITY"

MORE MILEAGE
LONGER CAR LIFE
DODGE OWNERS TESTIFY

"NOW DRIVING MY FIFTH DODGE!"

"My big 1951 Dodge is more than living up to the Dodge reputation for dependability, ruggedness and low cost of maintenance. It's the fifth dependable Dodge I've owned."

—says Geo. A. Hughes

Grosse Pointe Farms, Michigan

"I'VE PUT THE EQUITY AHEAD OF FOUR YEARS' DRIVING ON MY '50 DODGE!"

"As a salesman, my 1950 Dodge is always on the go. I figure that I have already put the equivalent of four years of average driving on it—with out spending any appreciable amount of money for repairs."

—says Harry H. Hurst

Houston, Texas

You could pay up to \$1,000 more and still not get all the extra room, riding comfort and rugged dependability of Dodge

TAKE THE WORD of owners who know Dodge value and dependability from actual experience. "No major repairs in four years' driving" . . . "After driving another make less than a year, I'm back with Dodge again" . . . "Driven my Dodge 150,000 miles and it's still going strong." These are not unusual comments in letters we receive from Dodge owners coast-to-coast. Dodge dependability starts with a heavy, rugged frame, a "Get-Away" engine "speed-proofed" to resist wear, designed to be a miser on gas.

There's a safe, rigid, all-steel body, rubber-mounted to eliminate rattle and squeak.

New Safer, Smoother Ride

Dodge Oriflow Shock Absorbers "float" you over roads that stop other cars, cushion vital chassis parts against road shocks . . . make them last years longer.

Take 5 minutes to check Dodge dependability in long life, extra comfort and safety, low-cost maintenance and gas economy. Come in today for the complete Dodge story.

I Have Taken
The Bull By
The Horns!

Although I am not in the Building Business to sell real estate, I have had people tell me how nice it would be to buy NEW homes on small monthly payments—not shell homes or unfinished makeshift homes, but neat FINISHED homes that they can be proud of.

This week I have started the first six homes of what I hope to be a full subdivision by next spring.

Briefly, these are some things you can expect to find if you visit the Barney Naber property west of St. Peter's church:

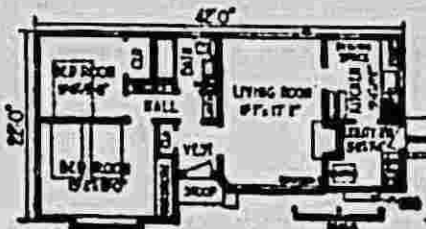

1. No homes alike
2. Sewer and water in
3. Roads in
4. Complete homes, with nothing but grass to plant
5. Sidewalks in
6. You select living room and bedroom paint
7. Complete cabinet kitchen
8. Minimum down payment with amortized monthly payments.
9. No high pressure salesmen.

Gardeners Offered Aids on Insect, Disease Control

Springfield, Ill., April 16—About ready to start digging around in that garden?

If you are, your public library can provide a variety of helps in the growing of fruits, vegetables, flowers, shrubs, lawns, trees and almost anything else, Secretary of State Edward J. Barrett, state librarian, suggested today.

If the library does not have a wide selection of books on gardening, or if there is no local library service, the Illinois State Library can provide them, Mr. Barrett said.

Recent publications on gardening cover practically every phase of the project, Secretary Barrett said, from Orloff and Raymore's "Garden Planning and Design" to Westcott's "Garden Bug Book."

A sampling of the material available includes Sprague's "Better Lawns," Morris' "Your Book of Garden Plans," Dempsey's "Grow Your Own Vegetables," Hedrick's "Fruits for the Home Garden," Blair's "Garden Clinic," Simon's "Complete Garden Handbook," Fox's "Gardening for Good Eating," and separate volumes on annuals, perennials, roses, chrysanthemums, begonias, iris and geraniums.

YOU MAY BE DEAF!

Test Yourself!

Although only a specialist can scientifically determine if you are hearing or not, answering the following questions may give you a clue as to whether your hearing is up to normal.

Write Yes or No

- Do you find people seem to be "mumbling" or slurring their words when they talk to you?
- Do you hear better in noisy places than in quiet ones?
- Are you bothered by loud noises or "ringing" in the ears?
- Do harsh loud noises seem actually painful?
- Do you find that, at one moment, you cannot hear someone speaking to you and, at the next, they seem to be shouting?
- Can you hear the sound of a voice but find it difficult or impossible to understand what is being said?
- Do you seem to hear better with one ear than the other?
- When a group of people are talking, do you seem to have trouble hearing?
- Do you have trouble hearing when going to church, listening to the radio, television, or when seeing a movie... do you have trouble hearing your children, grandchildren?

If your answer to any one of the above questions is "Yes," you may have a hearing loss. If your answer is yes to more than one question, your hearing is probably impaired. In either case, you should send for the FREE book "New Discoveries to Help the Deaf Hear" or see your local Bellone Hearing Service Consultant at

Customers' Corner

Courtesy doesn't add anything to the high quality or superior value of the food you buy at A&P.

But it is the ingredient that makes your shopping trip a pleasant experience rather than a tiresome task. That is why the men and women who operate your A&P work hard not only to give you prompt and efficient service, but to be courteous and friendly, as well.

They know that even the pressures of rush-hour shopping are no excuse for rudeness. If they ever fail to make your trip to A&P a pleasant one, they want to know about it. Please write:
